

Mt. Galbraith Mountain Bike Map

(Map is not to scale and is only for reference, trail topo is not exact)

The below trails represent some of the most popular trails on the mountain. There are many more great trails than listed below. This map is only for a quick reference to the trails on the mountain and for first time visitors to the mountain. Complete maps that are to scale and show every road and trail accurately can be purchased from the WHIMPS at www.whimpsmtb.com.

1. Ridge Trail (XC/All Mountain good for all skill levels)
2. Bob's Trail (XC/All Mountain intermediate bike skills required)
